The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p><b>The City of Maud does not have enough affordable, good housing to meet the current needs of the community. The Maud Housing Authority tries to bridge this gap by supplying safe, affordable, and good homes to those with limited means and incomes. The elderly in our community have additional problems such as having homes too large to pay utility bills on, not efficient, cannot pay maintenance costs, and often live in homes no longer assessable to them because of health issues. The Maud Housing Authority provides easily assessable units, affordable rental costs, energy efficient HVAC and appliances, and smaller homes more suitable to the average elderly person or family. All apartments are in well lit, safe areas of the community meeting another important need of both the families and elderly in our units or on the waiting lists.</b></p>
9.1	<p><b>Strategy for Addressing Housing Needs.</b> Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. <b>Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. <b>In the five year plan, we hoped to cut down on maintenance calls by keeping the units in shape. We just completed installing new handicap ramps to our elderly apartments and driveways, we replaced several sidewalks, and replaced the roofing and guttering on 5 buildings.</b></p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification" <b>We have not changed previous definitions; Significant amendment might include an amendment necessary to address substantial emergency repairs. Substantial deviation/modification would be any change made to an approved plan such as adding a new item to cover repair expenses of \$2500 or more and could not have been anticipated at the time the plan was drafted.</b></p>
11.0	<p><b>Required Submission for HUD Field Office Review.</b> In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged.
